**MOUNTAIN TELECOMMUNICATIONS OF ARIZONA, INC.**  
**STATEMENT OF OPERATING PROCEDURES**  
**IN COMPLIANCE WITH 47 CFR §§ 64.2009(e)**

(a) Mountain Telecommunications of Arizona, Inc. does not share its CPNI with any other provider or affiliate, nor does it allow its database to be accessed by anyone other than authorized employees. MTI shares CPNI only with other telecommunications providers and with billing service providers as expressly permissible under 222(D)(1) of the Telecommunications Act. These entities are subject to the requirements of 47 CFR 65.2001 – 64.2009

(b) Each employee receives CPNI privacy instruction upon hiring. Additionally, MTI conducts annual seminars to educate its employees as to the rules and regulations governing CPNI and other matters of privacy. The seminar is accompanied by a printed guide to the information presented so that employees may reference it at all times.

(c) CPNI is not shared with any third parties and for this reason MTI does not maintain a record as required by this section. MTI does not market its services and has no plans to market its services in the future. However, any marketing plans made in the future will include provisions in compliance with CPNI rules and regulations.

(d) CPNI is not shared with any third parties and for this reason MTI does not have a review process as contemplated by this section. Supervisory persons are kept informed as to the requirements of this section and are prepared to comply with this rule if and when MTI begins to market its services. Currently, MTI does not market its services and has no plans to market its services in the future.

(e) Pursuant to the rules, this report is attached to a compliance certificate signed by an officer of the company stating that he has personal knowledge that the company is in compliance with the rules in 47 CFR 64.2009.
